

Product Description

Product Bulletin: March 28, 2019
Product: Falcon™ X4 Auto Range

Expected General Availability: March 28, 2019
Expected Public Announcement: May 2, 2019

FALCON™ X4 AUTO RANGE MODELS LOGISTICS AT TOP PERFORMANCE!

OVERVIEW

Datalogic is pleased to announce the availability of new 2D models for the Falcon™ X4 product line, embedding Auto Range scanning capability.

This has been made feasible by embedding the new 2D Near/Far Auto Range imager designed and developed by Datalogic.

A variety of markets, including verticals such as Retail, Manufacturing, Transport & Logistics and Healthcare, will benefit from the performance of this upgraded Falcon mobile computer, especially for warehousing applications requiring 1D/2D scanning at long range distances.

FEATURES AND BENEFITS

PRODUCT FEATURES	BENEFITS FOR CUSTOMER
NEW AUTO RANGE SCANNING CAPABILITY	New Falcon X4 Auto Range models embed the latest Datalogic near/far Auto Range 2D imager, able to scan up to 17 m / 55 ft providing superior performance for extended range applications.
CHOICE OF WINDOWS EMBEDDED OR ANDROID™ OPERATING SYSTEMS	The high performance multicore 1 GHz architecture of Falcon X4 runs Windows Embedded Compact applications with blazing speed while enabling an easy transition to the Android OS. Users will never run out of memory with the standard 1 GB RAM and 8 GB Flash.
OUTSTANDING USER INTERFACE	Equipped with a high-visibility 3.5 inch color touchscreen display, the Falcon X4 helps users work more efficiently both indoors and in outdoor sunlight. Three different keyboards are available for maximum efficiency: a 52-key alphanumeric keypad, a 29-key numeric keypad and a 29-key functional numeric keypad.

Product Description

PRODUCT FEATURES (CONT.)	BENEFITS FOR CUSTOMER
ERGONOMIC AND RELIABLE	The Falcon X4 mobile computer leverages a well-known and successful form factor, with best-in-class ergonomics (curved shape, 10% lighter than main competitors) and Datalogic's elegant design satisfying different environments and reducing operator fatigue. The pistol grip form factor is arched for comfort with an ergonomic trigger for intensive or long periods of scanning. At the same time, Falcon X4 robustness can withstand the harshest environments, being tested and certified against repeated drops to concrete, real world tumbles, water and dust sealing, and extreme temperatures.
COMMUNICATION TECHNOLOGIES	The Falcon X4 mobile computer offers a variety of technologies to communicate, starting with a superior 802.11a/b/g/n Wi-Fi with CCX v4 compliance and MIMO technology for improved connectivity and coverage. Bluetooth® wireless technology v4 provides support for the new low energy mode (BLE) and for improved voice recognition via wide band audio (Android™ only). It also offers wired standards including USB Hi-Speed, RS-232, Modem and Ethernet.
LEVERAGES EXISTING FALCON ACCESSORIES	The Falcon X4 mobile computer has full compatibility with all the Falcon X3+ accessories.

TARGET INDUSTRY APPLICATIONS

- **Warehousing/Logistics:** Inventory Management, Shipping/Receiving, Ordering, Put-away, Cycle Counting
- **Manufacturing:** Traceability, Intra-logistics
- **Retail:** Shop Floor Applications, backend receiving, warehouse
- **Healthcare:** Hospital logistics

WHAT'S IN THE BOX – (DEVICE)

- Falcon X4 mobile computer
- Rechargeable battery pack
- Terminal emulation overlay
- Hand-strap (hand held models only)
- Lanyard (for pistol grip models only)
- Quick Start Guide
- Safety and Regulatory Addendum
- Wavelink Avalanche Insert (WEC7 models only)
- Wavelink Terminal Emulation insert (WEC7 models only)
- End User License Agreement (EULA) Sheet

GEOGRAPHICAL AVAILABILITY

The Falcon X4 Auto Range models will be immediately available in all the countries/regions where the Falcon X4 mobile computer is certified and sold today:

- EU
- USA and Canada
- Australia and New Zealand
- Russia
- MEA: Turkey, UAE, Saudi Arabia, Qatar
- LA: Brazil, Mexico, Panama, Colombia, Costa Rica, Argentina, Chile
- China
- SEA: Malaysia, Indonesia, Thailand, Vietnam, Singapore, Philippines
- India
- Taiwan
- Japan

Please contact the Product Marketing Manager for other country requests and availability date.
